A Full Life feels Good.

Celebrating the Good Things God Has Done!

"The Lord has done great things, and we are filled with joy!"

Psalm 126:3

From small beginnings in 1987, friends and partners of LeSEA Global Feed The Hungry have changed the lives of children and families around the globe. And 2018 was marked by significant milestones that our founder, Dr. Lester Sumrall, envisioned when he received a mandate from God to answer the prayers of those who cry out, "Lord give us this day our daily bread."

Celebrating 30 Years of ministry, the months were filled with testimony of new ground taken and new fields reached with food and the gospel.

The Every Child Every Day ministry reached new heights, seeing over a quarter-million children receiving hot, nutritious meals in some of the most destitute places on earth.

Charity Navigator awarded LeSEA Global Feed the Hungry a 4-star rating, their highest honor based on ministry transparency and fiscal responsibility.

More than one hundred Pastors and Children's Ministry Workers were trained by Feed the Hungry staff in principles of effective children's ministry to increase their impact among the communities they serve.

With support from donors, churches, friends, field pastors, missionaries and countless volunteers, the vision of seeing one million of the world's most vulnerable children find food and a future in Christ is now closer than ever! Thank you for your part in the impact made on earth and in heaven!

Because a full life feels good,
