

OUR MISSION

Feed the Hungry is dedicated to feeding the poor and hungry around the world, empowering the Church worldwide, and sharing the hope that comes through Jesus Christ.

Founded by missionary statesman, Dr. Lester Sumrall, in 1987 to respond to God's challenge, "That my church in the third world does not die of hunger before I return," Feed the Hungry has now delivered more than \$350 million of food and supplies to hungry, hurting people in 92 nations around the globe.

We also respond with emergency food and relief during natural and man-made disasters, such as hurricanes, floods, droughts, civil wars and conflicts.

By feeding the hungry together and delivering it in the name of Christ's love, you are joining with Feed the Hungry to help change people's lives for the better, for the future...and for eternity!

LeSEA Global Feed The Hungry is audited annually by the independent firm of BDO USA, LLP. Our organization is also required to file comprehensive financial information by the IRS. These documents are available at feedthehungry.org.

THANK YOU

Because of your kindness and generous support, 2019 was a year of incredible growth, preparation and equipping for what 2020 would hold.

You helped us reach the momentous milestone of feeding more than 300,000 children worldwide through the Every Child Every Day ministry.

Because of the faithful and sacrificial giving of our friends and partners, Red-letter Gospels, Bibles, and other Christian resources were delivered to children and families.

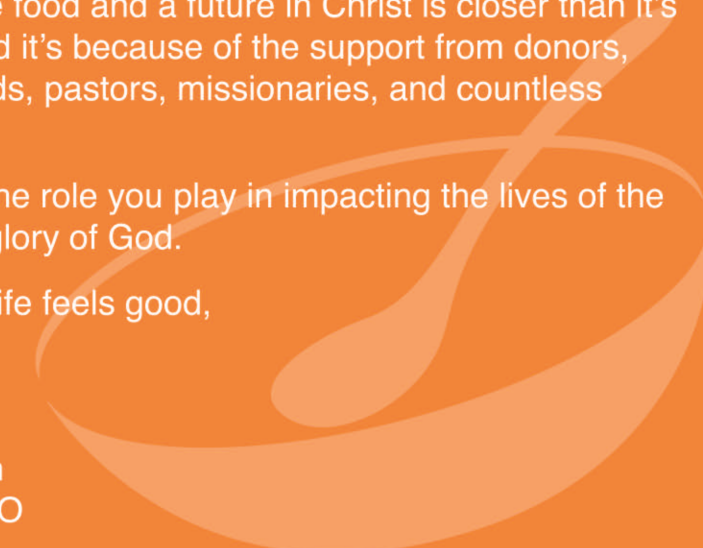

Children's crusades and outreaches brought thousands of people to their first encounter with Jesus. Villages and cities alike are being transformed because of the hope the community is receiving through meals and the truth of the Gospel!

Our goal of seeing one million of the world's most vulnerable children receive food and a future in Christ is closer than it's ever been – and it's because of the support from donors, churches, friends, pastors, missionaries, and countless volunteers.

Thank you for the role you play in impacting the lives of the hungry for the glory of God.

Because a full life feels good,
